**Material Transfer Welcomes New Mechanical Engineer, Purchasing Coordinator & Marketing Manager**  
*Strategic appointments reinforce the Company's commitment to customer success.*

**ALLEGAN, MI** (October 21, 2023) – Material Transfer & Storage (MTS), an industry leader in the custom design and manufacture of bulk bag filling, conditioning, and discharging systems, announced today the addition of Scott Johnson as a Mechanical Engineer, Amy Bonarski as Purchasing Coordinator, and Katy Sabo as Marketing Manager. These key hires underscore MTS's commitment to innovation and customer satisfaction in the bulk material handling industry.

Scott Johnson, joining as a Mechanical Engineer, will spearhead research and development efforts to optimize mechanical systems for MTS. He will be an integral member of the Team for the successful design and manufacturing execution of all MTS solutions.

Amy Bonarski, stepping in as Purchasing Coordinator, will be instrumental in maintaining vendor and supplier relationships. She will ensure that MTS continues to offer competitive pricing and material costs aligned with current market trends and economic conditions.

With over a decade of industry experience, Katy Sabo joins the MTS Team as Marketing Manager. She will focus on customer-centric marketing strategies that address production challenges and offer tangible solutions.

"Each of these new team members brings a unique set of skills and experiences that will be invaluable as we continue to innovate and meet the evolving needs of our customers," said Sergio Carrillo, Director of Sales and Marketing at MTS.
